This permit allows the home owner to kindle fires on the aforementioned property for the purpose of burning within a fire pit for recreational purposes only. Burning shall be done in compliance with Bylaw 2002-494, the Forest and Prairie Protection Act and Regulations made thereunder and the following conditions:

1. Use ¼ inch metal mesh grate to cover the top.
2. Fire pit to be constructed on non-combustible material (Concrete blocks)
3. Build ten feet from property line structure with no overhang.
4. Burn only clean, dry wood (no garbage, garden refuse, treated or painted wood or plastics)
5. Consider neighbors when wind is blowing in the direction of their open windows.
6. Keep smoke to a minimum and fires within the fire pit will be kept at a reasonable height.
7. Adequate extinguishers or water supply will be nearby.
8. Fire must be supervised at all times by a responsible adult.
9. No burning is permitted when winds exceed 12km/h or are gusting.
10. No burning is permitted during the hours of 11:00 p.m. and 7:00 a.m. unless the Munson Fire Department has issued a special permit.
11. Any breach of the above conditions renders the permit null and void.
12. All fire pits are subject to inspection.

Effective \_\_\_\_\_ 20\_\_\_\_. This permit expires upon sale of said property.

I have read and understand the conditions and regulations above and do hereby accept full responsibility.
